DICHIARAZIONE / DECLARATION CONFLICT MINERAL

ITALIANO

Sia il Regolamento 2017/821/UE che la normativa americana Dodd-Frank Wall Street Reform and Consumer Protection Act' (Pub.L. 111-203, HR 4173) approvata il 21 luglio 2010" Sezione 1502, stabiliscono degli obblighi in materia di dovere di diligenza nella catena di approvvigionamento, principalmente per importatori e fonderie, che utilizzano i seguenti metalli: Stagno, Tantalio, Tungsteno, Oro (compresi i loro minerali), originari da zone di conflitto o ad alto rischio.
Inoltre l'associazione "Responsible Minerals Initiative" (RMI) ha esteso "volontariamente" le stesse informazione per Cobalto e Mica.

I prodotti Merlett (tubi) non rientrano nell'ambito di applicazione di questa normativa, tuttavia, per aiutare i nostri clienti a rispettare dette limitazioni, conformemente con quanto dichiarato dai nostri fornitori inerenti le materie prime utilizzate nell'attuale formulazione dei prodotti indicati in *allegato 1* non è a conoscenza dell'utilizzo di alcun materiale proveniente da zone di "conflitto o ad alto rischio".

Questa dichiarazione verrà aggiornata in caso di cambiamenti formulativi e/o se i riferimenti legislativi saranno modificati e aggiornati in modo da richiedere una nuova verifica ai fini della conformità.

ENGLISH

Both Regulation 2017/821/EU and the American Dodd-Frank Wall Street Reform and Consumer Protection Act (Pub. 111-203, HR 4173) approved on July 21, 2010 "Section 1502, laying down supply chain due diligence obligations, mainly for importers and foundries, using the following metals: tin, tantalum, tungsten, gold (including their minerals), originating from conflict-affected and high-risk areas
Moreover, the "Responsible Minerals Initiative" (RMI) has "voluntarily" extended the same information for Cobalt and Mica.

The Merlett products (hoses) doesn't fall the area of application of this regulation, however, to help our customers to complies these limitations, in conformity with the declaration / statements received from our suppliers regarding the raw materials used in the current formulation of products indicate in **annex 1**, is not knowing the use of any material from " conflict-affected and high-risk areas.

This declaration will be updated in the event of changes in formulation of the material or if the legislative references are modified and updated so as to require a new check for compliance.

Daverio, 14.07.2023

Amministratore Delegato / CEO

Firmato Elettronicamente / Digitally Signed
